Super Lawyers® selects attorneys using a multi-phase process that includes peer nominations and evaluations as well as independent research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Selections are made on an annual, state-by-state basis. The objective is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers searching for legal counsel. Each year, no more than five percent of lawyers in the state are named to *Super Lawyers*, and no more 2.5 percent are selected to the *Rising Stars* list. Attorneys selected for *Rising Stars* are 40 years or younger or in practice for 10 years or less.

The *Super Lawyers* selection process involves three basic steps: creation of the candidate pool; evaluation of candidates by the research department; and peer evaluation by practice area.

The *Super Lawyers* lists are published annually in state and regional editions of *Super Lawyers* magazines and inserts, and special advertising sections in leading city and regional magazines and newspapers. All attorneys selected for inclusion in *Super Lawyers*, regardless of year, can be found on superlawyers.com.
